ADDENDUM NO. ONE

PROJECT TITLE: Rotary Trailhead
at Donovan Park

ISSUANCE DATE: July 25, 2018

LOCATION: Donovan Park

The proposed Contract Documents for this Work are modified as follows:

- I. **DRAWINGS:**
Sheet #2: The tree noted as “remove tree and stump” has been cut down, but the stump remains. It is the contractor’s option to remove the stump or trench through it for the water line. If the water line or other construction can be routed to avoid the stump, it is not necessary to remove it. The “tree to remain” southwest of the proposed walk has died.

- II. **PROJECT MANUAL/SPECIFICATIONS/GENERAL CONDITIONS/ETC.:**
Due to potential lead time of shelter elements, the construction time is increased to 105 days. New substantial completion date is projected as November 21, 2018.

- III. **INVITATION TO BID:** No change
